

Mr Nikolay Peev, MD, PhD(Neurosurgery), FRCS(England)

2014 – Current: Consultant Neurosurgeon and Spinal Surgeon
Belfast Health and Social Care Trust
Belfast, Northern Ireland

PROFESSIONAL MEMBERSHIPS

- WFNS Spine Committee member
- World Spinal Column Society – Executive Board Member
- Asian Congress of Neurological Surgeons - Core educational committee faculty member
- Pakistan Society of Neurosurgeons – Honorary Member
- Royal College of Surgeons (England)
- American Austrian Foundation - Open Medical Institute
- General Medical Council
- Bulgarian Society of Neurosurgery
- Bulgarian Medical Union
- Bulgarian Society for Cell Biology

ACADEMIC ACTIVITY

- Section Editor World Neurosurgery Journal
- Board Member of Neurospine Journal
- Board Member of Asian Journal of Neurosurgery
- Board Member of Nepal Journal of Neurosurgery

SKILLS AND EXPERIENCE

- Minimal Invasive Neurosurgery
- Complex Spinal Surgery
- Spinal Trauma
- Traumatic Brain Injury
- Neurooncology
- Neurovascular Surgery
- Skull Base Surgery

PRACTICAL INTEREST:

- Complex Spine Surgery
- Endoscopic Spine Surgery
- Minimal Invasive Spine Surgery

- Traumatic Brain Injury
- Brain metastases and primary brain tumours

RESEARCH INTEREST:

- Degenerative spine
- Minimal Invasive Spinal Surgery
- Endoscopic Spinal Surgery
- Spinal tumours
- Traumatic Brain Injury
- Brain metastases
- Spinal Metastases

EDUCATION

2014 - Fellowship in Complex Spine and Minimally Invasive Spinal Surgery - Salford Royal NHS Foundation Trust, Dep. Neurosurgery

2013 - Ohio State University, Columbus, Ohio, USA,
Dep. Neurosurgery – Minimal Invasive Neuro - Endoscopic
Surgery/

2011 – The World Federation of Neurosurgical Societies (WFNS)
Fellowship - Victor Horsley Department of Neurosurgery. The
National Hospital for Neurology and Neurosurgery, Queen Square,
London, UK

2009 – The World Federation of Neurosurgical Societies (WFNS)
Neurovascular Fellowship - Department of Neurosurgery, Fujita Health
University, Nagoya, Japan.

2005-2006 - Department of Neuroprotection, The Panum Institute, Section of
Neuroprotection, Faculty of Health Sciences, The University of Copenhagen,
Denmark.

2004 – 2014 PhD study – Prognostic factors in the surgical treatment of the
patients with brain metastases.

1996 - 2002 – Medical University of Varna, Bulgaria - graduated with honours

**PUBLICATIONS/ABSTRACTS/SCIENTIFIC
CONTRIBUTIONS/LECTURES**

Numerous publications/abstracts/lectures in national and international periodicals/courses/congresses

Personal interests: Computer techniques, training sports, travelling,
